

BADU RESORT 4"

COST SAVING PUMP FOR LARGE POOLS

BADU RESORT are purpose built pumps for commercial swimming pools, hotels and water parks.

Light, powerful pump made of polypropylene thermoplastic.

Strainer basket capacity 10 liter.

Monoblock-type pump with integrated strainer tank.

The bellow-type mechanical seal is mounted on a plastic shaft protector sleeve. Motor/pump shaft has no contact with water providing complete electrical separation.

PTC thermistor sensor for inverter operation.

Self-priming up to 3 meter.

Best performance in its class.
